

of York County
A New Leash on Life

Make a Meaningful Memory

Bricks have been used to create lasting memorials for thousands of years. You can purchase a tribute or memorial brick from the York County SPCA for only \$100. Your \$100 contribution will be used to further the important work of this organization, and your brick will be placed in the sidewalk of the front yard of our shelter.

Please complete a brick order form at the shelter or use our on line donation form.
