

How to Participate:

Admission to PetFest York 2010 is free, but if you would like to participate in the “Pound the Pavement for Pets” pet walk through Downtown York’s historic district, we ask that you register in one of two ways:

1. **Complete the Registration/Pledge Form** on the back of this brochure, and submit your form and pledges prior to, or the day of, the event. Registration begins at 8:30 AM, and the Pet Walk kicks off at 10:00 AM. Participants who register by September 1st are guaranteed a goody bag.
2. **Register Online by visiting...** www.firstgiving.com/ycspca. Register for the event, and create your own fundraising page to email to friends and family. Or, create a team, and invite others to join your pack to raise money as a group! This option is perfect for businesses, schools, clubs, and breed rescue or service dog groups!

What if I Am Unable to Attend?

You can still help by donating to “Boomer’s Team”, the York Revolution Team Dog, who is walking and raising funds for his alma mater, the SPCA of York County! Visit www.firstgiving.com/boomersbuddies to make a donation today! You may also register and create a virtual walking page at... www.firstgiving.com/ycspca to solicit donations, even if you are unable to participate in person.

Parking: Please check our website closer to the event for a list of free parking lots available, as well as directions to the stadium.
